KEEP YOUR LOOMS **RUNNING.**

Güryay Tekstil Makine is a family business. We started in Istanbul in 1983 trading weaving supplies, and since 2002 we have made our own heddles, springs and harness cord in our workshop.

We also supply the jacquard accessories and spare parts we don't make. Our Harness Masters team fits the harness at your mill.

HOW TO ORDER

1

SEND

Tell us the loom or jacquard model, the size and the quantity. If you don't know the size, a photo of the old part is enough.

2

WE CONFIRM

We check size and fit; if needed we make a sample first.

3

WE MAKE AND SHIP

We prepare the order in our workshop and ship across Türkiye and abroad.

HARNESS MASTERS

HARNESS BUILDING

Harness building means preparing the heddle and spring set for a specific loom and fitting it. Our team visits your mill, sees the loom on site, plans the harness and fits it. The survey is free.

1

SURVEY

We see the loom, the jacquard and the fabric on site.

2

PLAN

Hook count, board layout, heddle length, spring tension.

3

PREPARATION

Heddles, springs, pulleys and cord are made up into a set.

4

FITTING

Our team fits the harness and adjusts it.

WHAT WE BUILD HARNESSSES FOR

Velvet, carpet and prayer rugs

Upholstery and satin

Label

Narrow fabric and elastic

Terry

We work with Cenova, Belgian, Spinger and velour tie types.

GÜRWIRE

HEDDLES AND SPRINGS

Spring heddles for velvet, terry, satin, label and narrow-fabric jacquards, and frame heddles for dobby and cam looms. Made in our Istanbul workshop to your loom's measurements.

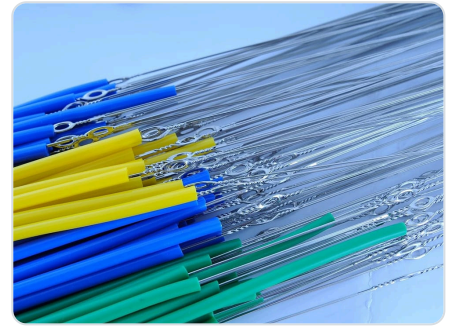

VELVET STEEL HEDDLE

Full steel body for velvet, carpet and prayer-rug jacquards. Colour-coded ends by row.

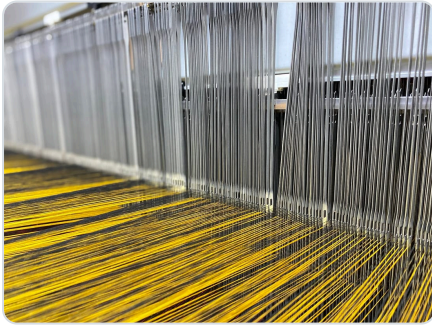

TERRY HEDDLE 355R

Spring heddle for terry towel jacquards.

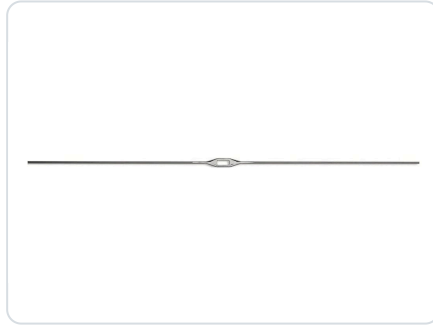

JACQUARD SPRING HEDDLE

For label, satin and upholstery weaving. Spring length and tension chosen per job.

FRAME HEDDLE

For heald frames: 520, 580 and 620 mm.

SQUARE-EYE HEDDLE

Heddle with a square eye.

JACQUARD SPRING

Example: 1020R — eye 4.0 x 1.5 mm, spring length 24 cm, tension 60 g.

WARP BREAKS USUALLY START AT THE EYE

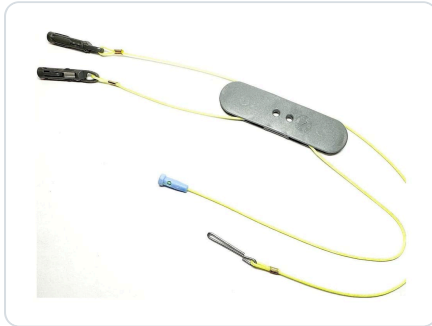

Every warp end runs through a heddle eye. A rough or badly formed eye rubs the yarn on every pick until it breaks. We check eye shape and finish on every batch.

GÜRACC

JACQUARD ACCESSORIES

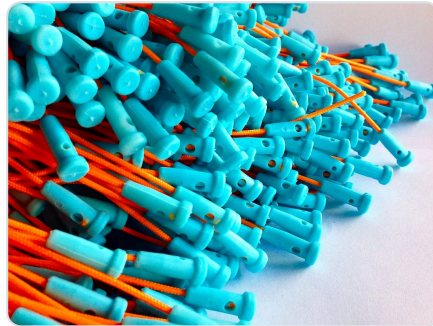

HARNESS SYSTEMS

Parts for Stäubli, Bonas, Grosse and Jakob Müller jacquards from top to bottom: pulleys, modules, cables and electronic cards. We braid our own harness cord.

GROSSE PULLEY HARNESS

Pulley harness for velvet jacquards.

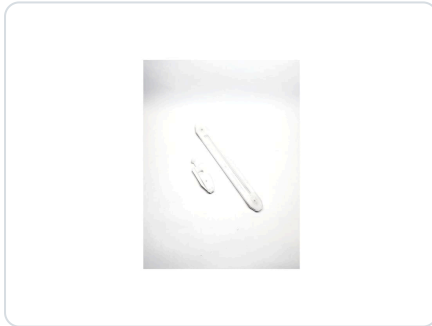

PULLEY, HARNESS CORD, KNOTTED CORD

Parts of a harness set; contents depend on the loom.

HARNESS PULLEY

Pulley for jacquard harness systems.

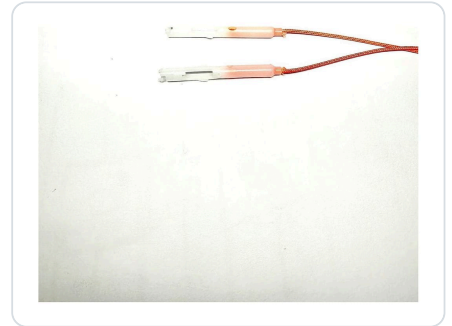

VAN DE WIELE CARPET PULLEY HARNESS - CRT

For CRT carpet looms.

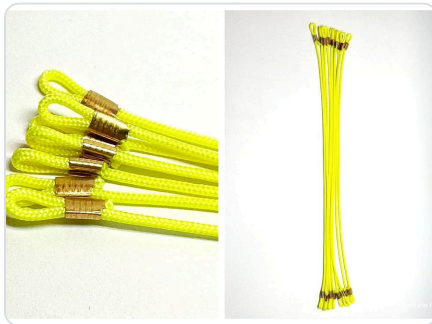

VAN DE WIELE CARPET HARNESS - CRM

For CRM carpet looms.

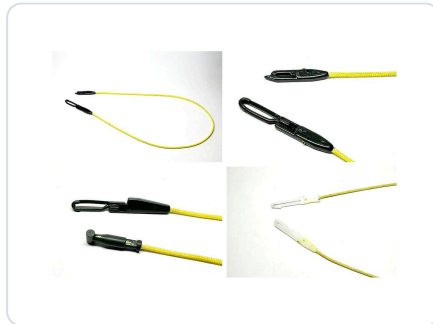

VAN DE WIELE HARNESS CORD

For carpet jacquards.

LABEL PULLEY HARNESS CORD

For Jakob Müller label looms.

BONAS HARNESS CORD

For older Bonas jacquards.

WHAT IS IN A HARNESS SET?

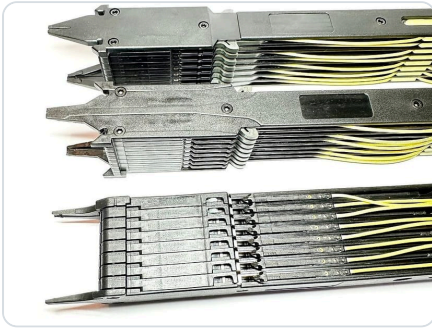

A pulley, usually two quick links, a short and a long cord; some sets are knotted. Tell us the machine and we'll put the set together.

Message us on WhatsApp with a photo or size

GÜRACC

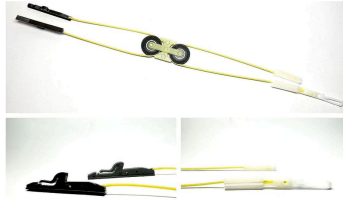

JACQUARD ACCESSORIES

MODULES AND PARTS

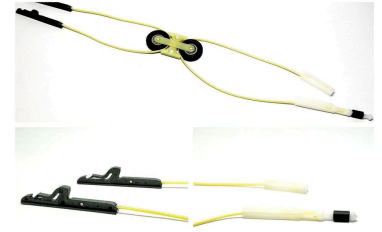

STÄUBLI MODULE M4 · M5 · M6

Electronic jacquard modules.

STÄUBLI M4 MODULE PULLEY

Pulley and cord for M4 modules.

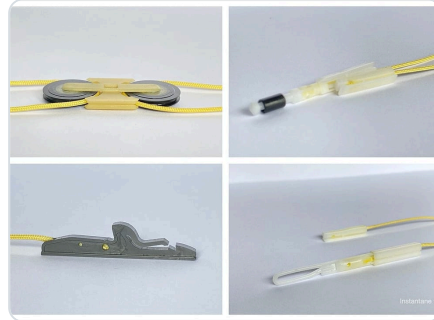

STÄUBLI M5 MODULE PULLEY

For M5 modules.

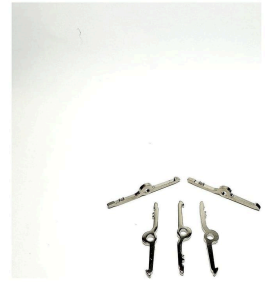

STÄUBLI M6 MODULE PULLEY

For M6 modules.

STÄUBLI MODULE CORD

For M4, M5 and M6 modules.

MODULE HOOK

Metal hook for Stäubli modules.

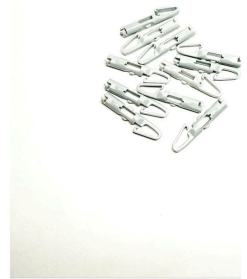

MODULE MAGNET

For electronic jacquard modules.

STÄUBLI QUICK LINK

Hanging and intermediate quick links.

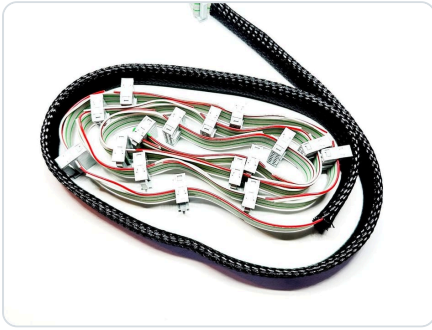

BONAS QUICK LINK

Connector for Bonas jacquards.

GÜRACC

JACQUARD ACCESSORIES

ELECTRONICS, HARNESS CORD, BOARDS

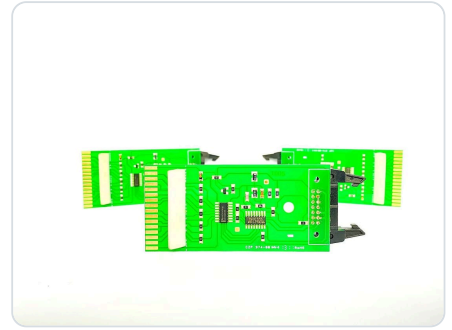

SIGNAL CABLE

Stäubli electronic jacquard signal cable.

RIBBON SIGNAL CABLE

For Stäubli electronic jacquards.

CL CARD

Stäubli electronic jacquard control card.

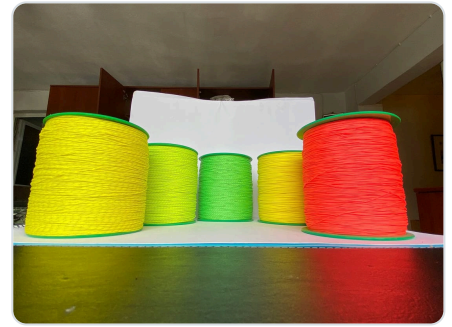

HARNESS CORD · HETEX 308-412

Jacquard harness cord series.

CARBON KORD 0.8 · 1.0 · 1.2 MM

Carbon harness cord on spools.

COLOURED SPOOLS

Available in several colours.

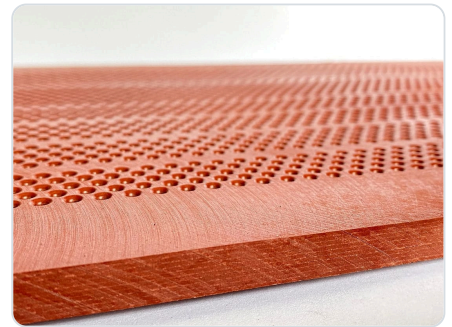

CARPET TOP BOARD

Fibre board for carpet jacquards.

JACQUARD COMBER FRAME

Supplied with metal frame.

PERFORATED COMBER BOARD

For upholstery and velvet harnesses; hole pattern to suit the loom.

GÜRPART

LOOM SPARE PARTS

Reeds, heald frames, drop wires and velvet blades, plus rapier heads, carbon strips, gears and wires for Van de Wiele, Dornier, Picanol and other looms.

VAN DE WIELE REED

For velvet and carpet looms.

HEALD FRAME

For dobby and cam looms.

DROP WIRE

8 g and 10 g.

VELVET CUTTING BLADE

Cutting blade for velvet looms.

RAPIER PARTS, CARBON, GEARS, WIRES

For Van de Wiele, Dornier, Picanol and other looms.

NO PART NUMBER?

Send a photo of the part with the loom make, model and year, and we'll find the matching part.

Message us on WhatsApp with a photo or size

ALL PRODUCTS

Heddles and springs are made to your loom's measurements; the sizes listed are the ones most often ordered. If what you need is not listed, ask and we'll find the right part for your loom.

GÜR WIRE HEDDLES, SPRINGS AND TUBES

LOOMS FOR SALE

SECOND-HAND WEAVING MACHINERY

IT DOESN'T STOP AT THE MACHINE.

LOOM EXTENSION

We widen Van de Wiele looms from 175 cm to 200, 210, 240, 260 or even 300 cm.

HARNESS BUILDING

Heddles, springs, pulleys and cord made up in Guryay's Istanbul workshop and fitted at your mill.

TECHNICAL SUPPORT

Setup, installation, maintenance, repairs and troubleshooting.

DISMANTLING AND

SHIPPING

Optional dismantling, packing and shipping under Incoterms (EXW, FOB, CIF).

HOW BUYING WORKS

1

ASK

Price, availability and technical details.

2

INSPECT

Video, live demonstration or site visit.

3

AGREE

Sales agreement, bank transfer.

4

SHIP

Dismantling, packing and freight.

5

INSTALL

Installation, adjustment and harness support.
